2. Policy Statement

This Age Policy outlines the age-related guidelines and restrictions for users accessing [Metaverse Name], a platform consisting of multiple interconnected metaverses. The policy aims to ensure a safe and appropriate environment for all users.

Minimum Age Requirement

The minimum suitable age for accessing Ultrakingdoms is 14 years and above.

Users below the age of 14 are not permitted to create accounts or access any part of the metaverse.

Content Classification

Ultrakingdoms contains various areas with different types of content, some of which may be suitable only for mature audiences.

Content is classified into two main categories:

General Content: Suitable for users aged 14 and above.

Mature Content: Suitable for users aged 18 and above.

Access to Mature Content

Areas containing mature content are protected through Know Your Customer (KYC) verification and parental verification and approval.

Users wishing to access mature content must:

Complete the KYC process to verify their age.

Obtain parental approval if they are under the age of 18.

Verification Requirement

- Certain areas within Ultrakingdoms may contain sensitive or mature content that requires KYC verification.
- Users must complete the KYC verification process to access these restricted areas.

KYC Verification Process

- The KYC verification process involves the collection and verification of user information, including but not limited to:
  - Full name
  - Date of birth
  - Government-issued identification
  - Proof of address
- Users may be required to submit additional documentation as needed.

Oversight and Management

- The KYC verification process may be overseen by Eight Galaxies or a third-party KYC service provider.
- Eight Galaxies ensures that any third-party KYC service provider adheres to strict data protection and privacy standards.

User Responsibilities

- Users are responsible for providing accurate and up-to-date information during the KYC verification process.
- Misrepresentation of information or failure to complete the KYC verification process will result in restricted access to certain areas within Ultrakingdoms.

Data Protection and Privacy

- Eight Galaxies and its third-party KYC service providers are committed to protecting user data and privacy.
- User information collected during the KYC verification process will be securely stored and used solely for verification purposes.

Parental Controls

Parents or guardians can set up parental controls to restrict access to certain areas within the metaverse.

Parental controls allow for monitoring and managing the activities of users under the age of 18.

User Responsibilities

Users are responsible for adhering to the age restrictions and content classifications outlined in this policy.

Misrepresentation of age or bypassing verification processes will result in account suspension or termination.

Reporting and Enforcement

Users can report any violations of this Age Policy to the Ultrakingdoms support team.

The support team will investigate and take appropriate action, including content removal and account suspension.

Amendments

Ultrakingdoms reserves the right to amend this Age Policy at any time. Users will be notified of any changes through official communication channels.
